

SMASHBERRY

2014 CENTRAL COAST WHITE WINE

WINEMAKER NOTES

Smashberry is all about the fruit: honeysuckle, peaches, and pears abound on the nose with guava, mango, and tropical fruit on the palate. The Roussanne is a major component that brings solemnity to the otherwise bright, fruit forward expression. Crisp acidity and a lingering finish makes this a delightful sipper that will perform well for its entire life. Pair with seafood, picnic excursions or lighter fare.

The components were harvested separately at night and pressed within hours. The resulting juices were fermented separately via a cool fermentation to retain aromatic components. The components were then aged five months before blending right before bottling.

Roussanne
Muscat Canelli
White Riesling

Alcohol: 13.4%

Titrateable Acidity: 5.3 g/L

pH: 3.53

Residual Sugar: 0.88%

“...This delicious little quaffer has lots of sweet peach and mint in its straightforward, supple, sweetly fruited, well made and charming profile. It’s a mid-week quaffer to enjoy over the coming couple of summer months.”
